

WELCOME TO TYÖPOLKU JOB SEARCH TRAINING!

The Työpolku training program helps strengthen your job-seeking skills, supports your career planning, and provides opportunities that promote employment. Designed for job seekers in Helsinki, the program includes both group and individual coaching, which can be completed either in person or online. The coaching begins with a five-day group session, followed by individual guidance tailored to your employment goals (for up to 2 months). Additionally, you will have access to an online learning platform to support your job search.
